

Every Home Deserves an...

“Online Open House”

Introducing the 360° Virtual Home Tour

There is no more efficient way to introduce homebuyers to your property than the **360° Virtual Home Tour** provided by **Arizona Imaging**. Now, potential buyers can view your home or property instantly via the internet, from anywhere in the world, on any computer. They can virtually “walk” through your home, zooming in or out on the details, inside and out. It’s considered an Online Open House. Buyers can save lots of time and can better **pre-qualify** their interest before they disturb you and your family. All of this at their leisure and from the privacy of their own home or office.

What Does This Mean to You?

We’ve hired Arizona Imaging for the convenience of our clients, making it available to view **24/7, 365 days a year!** It’s like having an **“Online Open House”** with millions of people worldwide looking in. You don’t have to be at home, and you don’t even have to clean and straighten the den! A Virtual Tour shows your home or property in the best light and highlights its best features. The Virtual Tour can be e-mailed to real estate agents, neighbors and potential buyers. Your **Virtual Tour** can be placed onto a CD-ROM or Floppy Diskette and mailed or given to interested parties.

Here are some interesting facts you should know

- We are a visual society, we would rather see it then read it.
- **80%** of today’s buyers utilize the Internet when looking for a home.
- Listing on Realtor.com with a Virtual Tour receive on average 10x **more views!**
- Virtual Tours are offered to our listing clients at **No Additional Charge.**

Bottom Line

Buyers are more informed than ever before, plus, they want to look for a home in a more convenient way. There is nothing more powerful than an **“Online Open House”**. We look forward to working with you to market your home effectively to get the most money, without inconvenience to you and your family. This is just one of many tools that we use to market your home, servicing our customers is our top priority.
